Dear Ms. Leech,

On behalf of the Alberta Children's Hospital Foundation, thank you for your support through the RE/MAX Miracle Home Program. We are truly honored that you have donated over \$25,000 to date, to help the more than 80,000 children and families who rely on care from our hospital each year. Because of you, we are able to do incredible things.

Many of the families who find themselves at the Alberta Children's Hospital for the first time are surprised to discover the level of medical expertise available right here under one roof. When they learn that much of it is made possible by community support, they are genuinely moved. The community helped to make this hospital state-of-the-art, and our specialists continue to rely on donations to put the latest tools in place so our kids can be the first to benefit from new discoveries, treatments and cures. The team of experts at the Alberta Children's Hospital is incredibly grateful.

We truly value our partnership with RE/MAX and those in the community who support their outstanding initiatives through the Children's Miracle Network. Thank you for your dedication to ensuring that our specialists can provide the best care possible for our kids. We encourage you to visit [www.childrenshospital.ab.ca](http://www.childrenshospital.ab.ca) to learn more about the difference you are making.

If you would like any further information, materials, or a tour of our amazing hospital please contact our Children's Miracle Network Director, Meghan Kociuba at 403-955-8850 or [mkociuba@achf.com](mailto:mkociuba@achf.com).

Yours sincerely,

  
Saifa Koonar  
President and CEO
